Finca Los Trenzones Sauvignon Blanc

Grape Variety: 100% Sauvignon Blanc

A straw-yellow wine with green-golden hues, denoting incisive maceration and a mature youthfulness.

Very intense attack of orange rinds that leaves a multitude of fresh citrus sensations culminating in a blend of tropical fruit, pineapple and even passion fruit on the finish.

Its silky, unctuous mouthfeel, together with the freshness provided by just the right acidity, result in a finish that exudes aromatic intensity and a grand, highly satisfactory aftertaste.
