Finca Los Trenzones Shiraz

Grape Variety: 100% Shiraz

A wine of intense colour with hues between blue and purple. It has a great structure but is highly polished, with hints of smoke, blackberries, violets, and mint, underscored by a delicate thread of vanilla.

The wood gives it presence, complexity and notes of vanilla, while the fruit is lightly dispersed in this gamut of sensations. Finally, the touch added by its stay in the bottle provides the fine elegance that can only be found in great wines
