Finca Los Trenzones Tempranillo

Grape Variety: 100% Tempranillo

This wine shows purple-to-orange reflections and a personality and finesse typical of this grape variety.

With exuberant fruit notes of raspberries and red currants, light touches of liquorice, underscored with toasty and vanilla hints, all of which make an indelible mark in our memories.

There is no doubt that the grace and elegance of this grape have allowed it to survive the fashions set by other varieties, always retaining an unquestionably recognised personality on the market.
